&
VISION
of Laboratory
Professionals
in Pennsylvania

What is ASCLS?

The American Society for Clinical Laboratory Science is a leading professional organization that represents the needs of non-physician laboratory professionals, the laboratory profession, and the public which it serves.

ASCLS is designed to represent our *entire profession* and is led by members of *our profession*, just like you.

ASCLS represents all laboratory professionals from generalists through a wide range of clinical specialties.

ASCLS offers membership to:

Laboratory Directors
Managers
Supervisors
Educators
Consultants
Staff CLS/MT
Staff CLT/MLT
Students
Phlebotomists
Industry Representatives
And more...

What does ASCLS do?

- 1 . ASCLS unites dedicated clinical laboratory professionals within our profession.
- 2 . ASCLS increases recognition and prestige of our profession, and those who practice it.
- 3 . ASCLS represents the profession to the public, governmental agencies, and other professional organizations.
- 4 . ASCLS provides an avenue for input into the development of public policy relating to our profession.
- 5 . ASCLS sponsors and shares the latest research in our profession.
- 6 . ASCLS provides the tools and resources to enhance your professional development.
- 7 . ASCLS is an advocate for our profession, and our professionals.

What are the benefits of ASCLS membership?

Provides many opportunities for meeting and networking with other professionals.

Allows YOUR voice to be heard.

Increases our profession's political power as a part of a larger group.

Keeps members informed of local, regional, and national issues so that we can become proactive in shaping the profession's environment.

Gives access to the latest scientific, technical and professional information.

Provides leadership, professional and personal development opportunities.

Provides professional avenues to use your talents and interests.

Enhances your career development.

Quality education at reduced rates.

Effective advocacy in Washington.

Collaboration with other professional organizations to enhance our effectiveness.

ASCLS insurance program for discounts on health, life, disability, liability and auto insurance.
