Consider giving your time and talents to help plan future events such as the wonderful continuing education meetings we have held over the past several months. It does not take much time, only your creative imagination!

Please RSVP if you plan to attend the Business Meeting or if you are interested in running for any of the above offices.

Bylaws Vote

On June 6, 2006, during the annual business meeting, chapter members will be given the opportunity to vote on the Bylaws changes. The changes are to bring the Chapter Bylaws into sync with the State Bylaws due to the recent name change of the Society from PSCLS to ASCLS-PA. The Bylaws are available on the ASCLS-PA website at:
