2018 Annual Spring Meeting

Welcome to the 83rd Annual Meeting of the Pennsylvania affiliate of American Society for Clinical Laboratory Science and the Pennsylvania State Society of American Medical Technologists. ASCLS-PA and PASSAMT are pleased to offer special registration rates to members. Member registration rates have stayed the same as 2012 prices – a best buy! Treat yourself! All committees working on the Annual Meeting have put a great deal of effort into planning a comprehensive program for you. You will find within these pages the best continuing education and networking opportunities in the area. You will once again be able to charge your registration for the meeting on your credit card. Simply fill in the necessary information on the registration form.

We are excited to once again hold our meeting at the **Red Lion Hotel**, located at 4751 Lindle Road, Harrisburg, PA 17111. This venue allows us to provide state-of-the-art seminars in a comfortable and convenient setting that is conducive to learning. **A Light Breakfast and Buffet Lunch are included in your daily registration.**

This 2018 meeting is a BEST BUY with 20 hours of PACE approved continuing education credits planned over the one-day meeting. The program was designed to meet the needs of laboratorians seeking to participate in the BOC Certification Maintenance Program. Vendor exhibits will also be part of the meeting. Plan to spend some time at the vendor tables and learn about the products and services they have to offer. **Several dedicated Exhibit times are new this year.** A list of speaker sponsors can be found later in this program.

For more information about the annual meeting, please visit us at our web site, "www.ascls-pa.org". We hope that the traditions of the past and the changes for the future will produce an enjoyable meeting for you.
