

## Joint Spring Meeting

**American Society for Clinical Laboratory Science–Pennsylvania &  
Pennsylvania State Society of American Medical Technologists**

**April 28<sup>th</sup> | Presidential Caterers | Norristown, PA**

**How Hospitals Can Benefit from Anti-Xa and Heparin-induced Thrombocytopenia Testing Implementation**

Paul Riley, PhD, MBA

**How Blood Clots – Evolution of Our Understanding of the Hemostatic Process In Vitro and In Vivo**

Michael H Creer, MD, FASCP, FCAP

**When Bone Marrow Goes off Track:  
Decoding Myeloproliferative Neoplasms &  
Myelodysplastic Syndrome**

Pooja Devi, MBBS, MD

**Navigating Discordant Urine Drug Test Results:  
When Findings Don't Fit the Clinical Picture**

Sheng-Ying (Margaret) Lo, PhD, DABCC

**Point of Care and at Home Testing as Mechanisms for  
Health Equity**

Christina Pierre, PhD

**Laboratory Ordering Decision Support to Screen for  
Underdiagnosed Diseases**

Daniel S. Herman, MD, PhD

**Tube-Powered Transfusion: Enhancing Emergency  
Blood Delivery for MTP**

Christine Thompson, MLS(ASCP)<sup>CM</sup>, SBB(ASCP)<sup>CM</sup>

**Clinical Informatics and You: How Medical Record  
Interface and Order Entry Affect the Lab and Our  
Patients**

Jenna T. Reece, MD

**Giving Rh Positive RBCs to Rh Negative Patients  
Designated as DNR/DNI: A Novel Way to Preserve Rh  
Negative Inventory**

Julie Katz Karp, MD

**Bacteremia in a Toddler with a Head Injury: Applying  
Laboratory Findings to Clinical Practice**

Emily Reed, DCLS, MLS(ASCP)<sup>CM</sup>

**Let's Play Dr. House – Interesting Infectious Diseases  
Cases**

Debra L. Powell, MD, MS, FIDSA, FACP

**Molecular Oncology in Practice: Tools, Techniques,  
and Trends for the Modern Lab**

Andrew Campbell, Ph.D., HCLD(ABB)

**The ABCs of Laboratory Safety**

Allison Eck, DHA, HTL(ASCP)<sup>CM</sup>QLS and  
Donna Chuddley, HT(ASCP)<sup>CM</sup>QLS

**Service Influencers: Intra and Cross-Departmental  
Initiatives to Improve Patient Experience**

Gabriela C. Peterson, MHA, MLS (ASCP)<sup>CM</sup>

**Feedback and Evaluations for Career Growth in the  
Clinical Lab: Two-Way Conversations**

Evelyn M. Potochny, DO

**Testing Smarter not Harder: Practical Stewardship  
Strategies to Optimize Use of GI Panels**

Rebekah Dumm, PhD D(ABMM)
